PREU SHARMA

EDUCATION

Chitkara University

Computer Science and Engineering Bachelors

Rajpura, Punjab 2021 - Present

Disha Public School HP BOARD 12th Chauntra, Himachal Pradesh 2020 - 2021

Little Flower Convent School

ICSE 10th

Panchkula, Haryana 2018 - 2019

EXPERIENCE

BharatIntern | Web Developer Intern

Virtual | July 2023 - Aug 2023

NETFLIX HOMEPAGE:

Implemented CSS Grid and Flexbox for layout management, ensuring responsive design across devices. Utilized advanced CSS techniques for styling, enhancing user experience.

TEMPERATURE CONVERTER:

Implemented functionality to convert temperatures between Celsius and Fahrenheit.

Designed a user-friendly interface for easy input and conversion.

Utilized JavaScript for real-time conversion calculations and dynamic content updates.

SKILLS

Programming Languages: JAVA, HTML, CSS, JAVASCRIPT

Libraries/Frameworks: REACT JS

Tools / Platforms: VS Code, GitHub, Canva, VN, Notion, MS Excel, Figma

Databases: SQL

PROJECTS / OPEN-SOURCE

BLOG WEBSITE | Link

• Developed a full-stack blog website using MERN (MongoDB, Express.js, React.js, Node.js) stack. Utilized MongoDB Atlas for robust and scalable database management.

Implemented CRUD operations for seamless management of blog posts. Enabled users to create, edit, view, and delete posts efficiently

COFFEE SHOP | Link

Designed responsive layouts ensuring compatibility across various devices using technologies html, css, javascript.

Added functionalities like switching between dark/light mode and feedback to continuously improve website functionality and design.
